Dear Mr Milhench

Mr Hunt is returning the forms to me and I expect them to be available on Tuesday. A number of points arise.

One of the documents seeks to grant your firm a power of attorney in respect of patent application number PCT/GB01/01591 which appears to have been filed in or about the 17th May 2001. This application was not referred to in the deed of 1 May 2001 transferring Simon's patent applications to Media Logic Systems Limited. I would be obliged by an explanation as to what this relates to and whether application GB0008501.9 has been terminated. If so, on whose instructions?

Simon has spent some 15 hours on this matter which at a fee £250 per hour gives rise to a fee of £3,750 plus VAT. I will have spent a total of 2 1/2 hours on this matter which will give rise to a fee of £625 plus VAT.

I look forward to hearing from you with your confirmation that these fees will be discharged.

Regards
